"Thanks for putting together a fantastic evening of poker for a truly important cause. Everything from the food and drink to the professional dealers was top notch. I'm looking forward to defending my title next year."

- Dan O'Sullivan

"My wife Marcy and I had the pleasure of attending last year's event and ate great food, met some great people and played Blackjack and poker until they closed the place down! It was all for a good cause, and we had a great time doing it."
